For all you food-lovers sitting at home and looking for something interesting on TV this afternoon, there's a fabulous new show called 'The Asian Kitchen', created and produced by Mary Sah, beginning at 4.30 this afternoon. Among the dishes featured will be Saucy Tofu, consisting of tofu squares dipped in a special butter, deep-fried and covered in a creamy peanut sauce, and Evil Shrimp, made with hot peppers sauteed with other vegetables, and served with shrimp sizzling in a shallow pool of red curry. It's the most delicious thing on TV today.
